

APPLICATIONS FOR ADMISSION TO MUNICIPAL KINDERGARTEN SCHOOL YEAR 2023/24

The rankings of the applications presented for admission to municipal kindergarten for the school year 2023/24 are published. It is necessary to identify your application with the protocol number inserted in the confirmation received by mail or personally delivered at the Sportello Facile. The family who cannot find the protocol number can request it by email to infanzia@comune.cesena.fc.it attaching a copy of a parent's identity document.

If there is no assignment, it means that the application remains on the waiting list for the choices made and that the family has not indicated an alternative preference.

If the application has been accepted in the second choice, it will still remain in the ranking for the previous choice until the beginning of the school year.

Families who have been assigned the Didactic Circle will be contacted directly by the Didactic Direction.

The school office will communicate any changes to the indicated assignments via email directly to the families.

Families are invited to promptly notify the school office of any renunciations from the published ranking.

Between March and April, families will receive the circular on meal quotas for the school year. 2023/24 and the circular of the AUSL Community Pediatrics.

CONFIRMATION

The family who intend to CONFIRM the enrollment application must pay the non-refundable fee of € 40.00 (Art. 13 c. 2 of the Code in force) in the manner and within the terms indicated IN THE PAYMENT NOTICE WHICH WILL BE ISSUED BY APRIL and sent by mail.

For parents who already hold a Sepa Direct Debit (SDD) mandate, please note that the debit will be automatic on the current account (check the wording on the notice itself under the heading "Payment details").

In addition to being valid for the acceptance of the place, this fee relates to a part of coverage for the municipal charges deriving from the costs of services incurred by the Municipal Administration.

Children enrolled in kindergarten are automatically enrolled in the school meal service and therefore there is no need to submit a specific application.

At this link <https://www.comune.cesena.fc.it/refezionescolastica> all the information on the school meals service as well as how to request health or philosophical-religious diets.

The school office remains available for any further information that will be provided only upon communication of the protocol number.
